Local Church Accessibility Survey

Is your church accessible and open to all persons? Are you concerned that you might inadvertently be keeping some people from participating fully in the spiritual and social life of your congregation?

This brief survey form will help you identify your strengths and weaknesses. Take a few minutes to walk through your church building. What do you see?

(Check all questions that apply to your local church facilities.)

CHURCH ENTRANCE & HALLS

- Is there a ramp or level entrance to the church door? Are the sides of ramps adequately protected with handrails? Are there directional signs that clearly direct persons to ramps and accessible entrances? Are there directional signs so people know where to go upon entering the church building? Is there a church directory to help visitors find the church office/sanctuary/meeting rooms, etc.? Are there handrails at the church entrance? Are there handrails in the church halls? Are Braille signs and textured doorknobs provided at appropriate places? Are water fountains/payphones/bulletin boards, etc., accessible to persons in wheelchairs? Are fire extinguishers/water fountains/payphones, etc., recessed so as not to create obstacles? Is snow and ice adequately removed from walkways during the winter months? Are ramps protected from rain and winter icing or snow? Are open stairs fitted with a means of warning the blind, e.g., slightly raised abrasive strips?
